Suresh Joachim is a Canadian of great resolve. In his dictionary, you will not find the word "quit" or any derivative thereof. He has traveled the world while running, acting, moonwalking, walking, crawling, drumming, breakdancing, ballroom dancing, rocking, and performing many other tasks noted in the great big book of "The Guinness World Book of Records". He pushes himself past the brink of exhaustion and pain that defeats most individuals to capture his dream of breaking a world record and help those in need while doing it. Suresh is the Canada #1 Guinness World Record Holder...

World Peace Marathon - Suresh Joachim lit the World Peace torch in Bethlehem and began his first marathon in Jerusalem on 25th December 2017. So far, he ran in 6 continents, 72 countries, 125 cities, approximately covering 3588.1 km. During his marathon, he has collected people's messages for World Peace in more than 60 languages. He has traveled on 70 airplanes, 54 buses, 29 trains, and multiple taxis

This world record attempts to mark the first anniversary of the World Peace Marathon where he ran around the world to declare "No Poverty, No Disease, No War!" on August 1st around the world.
